Mr. Mobin Rostami Chavoshlou
Director of Education

Subject: Official Grant for Meta-Linguistic Pathways Project

Dear Mobin,

It is with great pleasure to confirm the allocation of **500,000,000 IRR** to you, in your capacity as **Director of Education**, to support the research, production, and professional development activities associated with your project entitled:

Meta-Linguistic Pathways: Enhancing English Proficiency in L1 Farsi Learners through Parts of Speech, Word Order, and Layered Instruction

This funding is granted for the following purposes:

1. **Project Production Resources:** recruitment and compensation of actors, engagement of a professional camera operator, hiring of an audio recordist and rental of filming and recording apparatus.
2. **Studio Sessions:** booking of professional studio facilities for filming, voice recording, and post-production.
3. **Professional Development:** personal upskilling in data science and computational analysis, directly contributing to the project's purpose.

The Institute recognizes your talent in developing innovative, evidence-based English teaching methods. Your integration of high-quality media production with meta-linguistic research should support our methodology.

We look forward to receiving periodic progress updates and a final report upon project completion. Please contact Hassan from Accounting to ensure that all expenditures are documented according to the Institute's financial reporting standards.

Yours sincerely,
Shokofeh (shadi) Bank
CEO
